

## Young Leaders' Day

On Monday the 23rd of February 2009, the four young leaders of the Junior School had the pleasure to go with Mrs. Shehata to the Entertainment Centre at Darling Harbour to participate in National Young Leaders Day. We were fortunate enough to listen to four motivational speakers who are successful leaders themselves. These speakers are: James Roy (author), Natalie Cool (Olympic Gold Medallist), Mark Berretta (sports T.V. anchor) and Bridie Carter (actress). The seminar focused on young leaders and a leader is someone who does things not just sits and thinks. The motivational speakers taught us how to be proper leaders and we wish to convert this to our young leaders of 2010. It was very inspiring to be a part of such a special day. We enjoyed asking questions and seeing so many students from all over the states. We hope that the 2010 young leaders enjoy it as much as we did and participate in this special event. We would like to thank St. Mark's College for giving us the opportunity to participate in a great event. May God bless our school.
